NOTES:

- Subsection Subject Identifiers are not official “courses” but are more closely aligned to Independent Studies with research being conducted on a Monthly Semester Schedule.
- Practicum # 1 and # 2 are completed coterminous with other research Sections. Only Thesis subsections require all other research to be completed before beginning.
- All assignments and documentation for the uThM program will be recorded as comprehensive artifacts on the IsaacHuntertheWriter.com website in direct relation to the above Section and topical subsections to illustrate competency and requirement completion.
- See [Online Study Plan](#) for complete details on research resources used, as well as to find the current and upcoming Monthly Semester Schedules.
